

SEPTEMBER 2020

Dear Farm Fresh families,

Here at the Farm Fresh Revolution team we have really loved the last three years delivering fresh fruit, veg, meat and eggs to you and your families at Moorhill Primary. We've particularly enjoyed having the chance to get to know you all and some of the wider community at Moorhill school. Thankyou so much for welcoming us with open arms and giving us a chance to support you in a mission to inspire children to eat more fruit and veg and keep healthy.

As you will appreciate, we can only spread the fresh-food-love so far! The time has come for us to finish our deliveries to your school and give another school an opportunity to benefit from our scheme. As much as we would love to, we are not able to continue delivering to each school indefinitely, so we are really sad to say that it is time to say goodbye for now.

We've been very happy to see you at our market stall in heat waves, snow, hail and rain – and everything in between! We really hope you have enjoyed all your Farm Fresh produce - we know some of you have tried some of our recipes - and hopefully the fresh food has encouraged your children to eat more fresh food and try something new. We will still be posting recipes on our Facebook page so PLEASE KEEP IN TOUCH! We will be putting our recipes into an easy to use cookbook, so do let us know if you would like to order a free copy.

We would be so grateful for any FEEDBACK as to how being involved with Farm Fresh Revolution has affected you, and how we might improve things and continue to inspire families to eat healthily. You can message us on social media, or via our webpage www.farmfreshrevolution.com We are especially very interested to hear if having the food has made any longer term changes to how your family eats. Or if there are ideas as to how we can support your school community in other ways.

A big thankyou to the Moorhill staff who allowed us to bring our project to you all – without their friendliness, help and commitment the deliveries wouldn't have happened at all.

So on behalf of charity founders, Rob and Sally Mercer, and all the team at Farm Fresh Revolution, thankyou for getting involved in Farm Fresh Revolution and we wish you all the very best for the new school year. Keep on cooking!

With very best wishes,

Rachel, Rob and Sally
